

2011 PADDLE the ARCH tour series

Paddle the Arch tours are a not for profit community fundraiser for the Frontenac Arch Paddling Trails.

By paddling with us this fall, you will be contributing to sustainable paddling trails development. Together our initiative will enhance opportunities for healthy community recreation while boosting tourism economic impacts in our home towns.

Funds raised through Paddle the Arch will assist with:

- 1 Improve information and infrastructure to locate access points.
- 2 Research and present local knowledge of paddling trail highlights
- 3 Design easy to read maps with paddling specific information.
- 4 Promoting the region as an active, outdoor recreation destination
- 5 Strengthen our community networks and work together to get more paddlers on more water, more often.

Welcome to 2011 Paddle the Arch tour series!

As the fall colours find their way through Southern Ontario, 1000 Islands Kayaking is please to host this year's Paddle the Arch Program in 4 locations.
